

INDUSTRY CAN DO IT

An industrial engineering group with multi-sector expertise, Fives designs and manufactures machines, process equipment and production lines for the world's largest industrial groups.

FIVES, YOUR PARTNER FOR A MORE EFFICIENT AND SUSTAINABLE INDUSTRY.

From the first railway lines to the Eiffel Tower lifts and factory 4.0, for over 200 years Fives has been designing the disruptive solutions and technologies that make up industry.

As a pioneer of **decarbonization** and **digitalization**, Fives is always one innovation ahead thanks to its ability to **anticipate customer needs**.

By responding to the specificities of each market locally, Fives combines **economic and environmental performance** in 25 countries thanks to its 8,200 employees.

FIVES, THANKS TO ITS ABILITY TO ANTICIPATE CUSTOMER NEEDS, IS ALWAYS ONE INNOVATION AHEAD.

Our innovation programs support the major technological changes underway, around hydrogen, decarbonization of industry, e-mobility, urban logistics, **digitalization** and cyber security.

Environmental protection, flexibility, machine availability, the quality of the finished product: the Fives teams' thorough understanding of industrial processes enables to meet these challenges and optimize the use of installations. To achieve this, the Group increasingly relies on digital technology.
